MARSEILLE

This glamorous cruise takes in some of the Mediterranean's most iconic ports, plus a few lesser-known jewels and one high-octane event. Departing from the Eternal City, you'll leave Rome in your wake as you sail, via a sea day, to perhaps the world's most glamorous destination, Monte-Carlo, where you'll enjoy the smell of rubber and the squeal of tires, as you'll be in Monte-Carlo during the world-famous Grand Prix. Sail next to pretty Villefranche sur Mer for an overnight, only 20 mins up the coast but light years from the bustle of Monaco. Onward amid blue seas and skies to Corsica before turning back to Italy by way of Porto Torres. End your trip in Marseille.
